

## Princess Camp Sponsored by The Finishing Touch

As you know, we love having our Carolina Princesses involved during pageant week each year at the Miss North Carolina Competition. Every princess, teen and miss, will still be involved during the Miss North Carolina Competition as they have been since the princess program began. Since the MNCOTeen pageant is more of a weekend event with a condensed schedule, we would like to introduce something different and a fun way for princesses to participate in the Outstanding Teen Finals.
